

## BIG SCALPER AND THE BRIDE'S PIES -

Big Scalper passed a Row of Pies  
That had been placed to cool

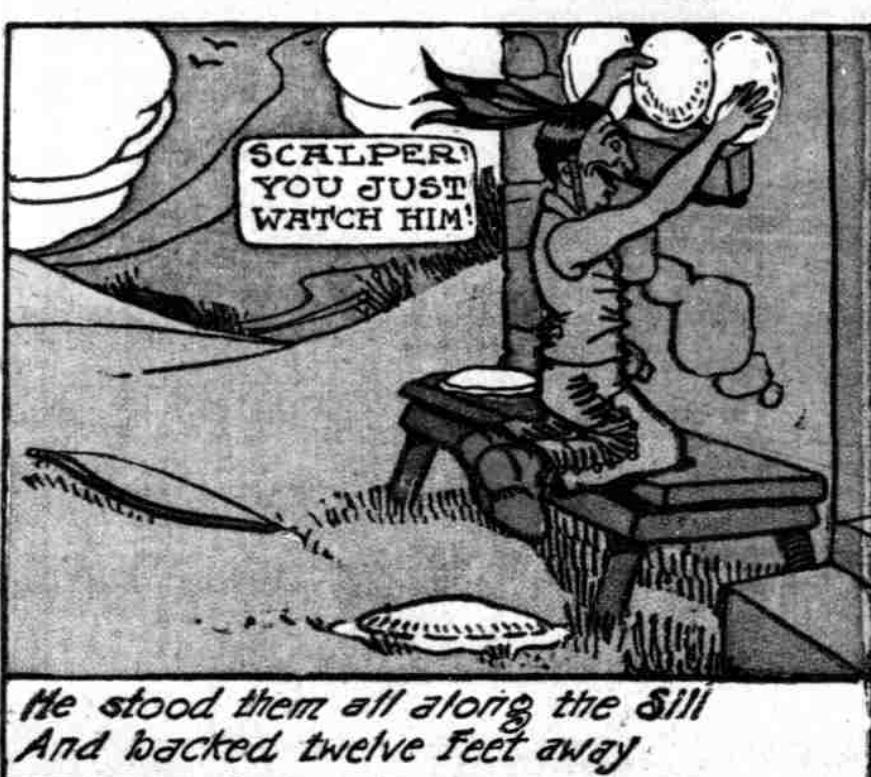

But did not notice that it was  
A Young Girls' Cooking School

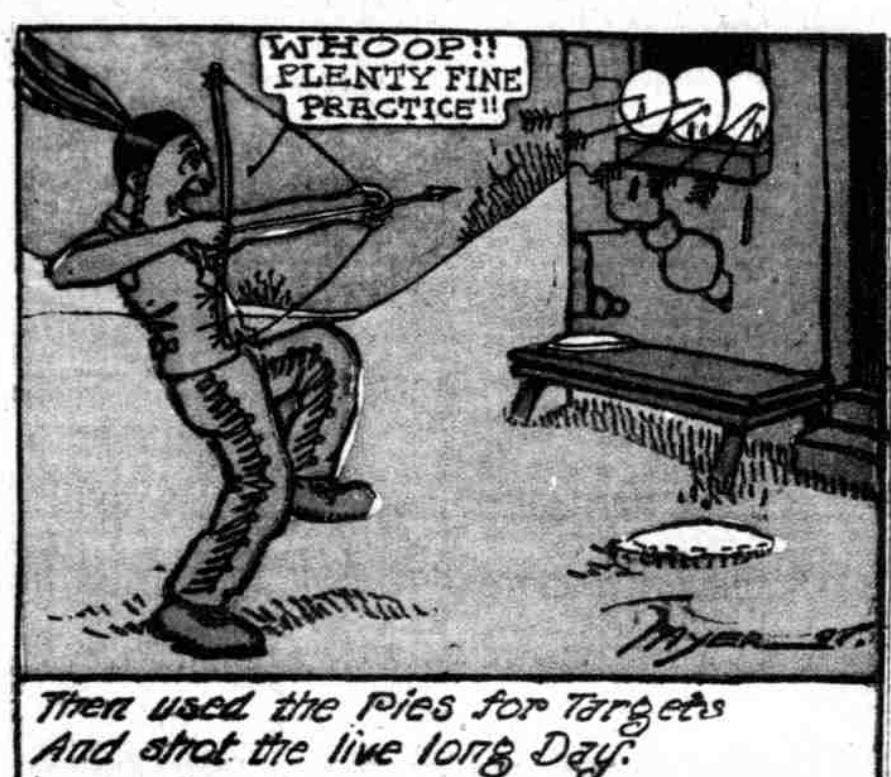

So when He tried to bite One through  
He nearly had a Fit

And cried "Big Indian up against  
Me can't make Dents in it"

He stood them all along the Sill  
And backed twelve Feet away

Then used the Pies for Targets  
And shot the live long Day.
